

NEPHROLOGY
ASSOCIATES OF SYRACUSE, P.C.

*Covid Safety Policy**

- All patients and their caregivers, and visitors are required to wear a mask/face covering prior to entering and while inside the practice.
- Physical distancing must be observed for the safety of patients and employees.
- Patients and all visitors are asked to use available hand sanitizer.
- The practice continues to offer Tele Visits for patients who are more comfortable speaking with a provider from their own home.
- Private lab draws in an exam room are also available for all transplant and immunosuppressed patients, and upon patient request.

- If you have been exposed to or received a positive Covid diagnosis within the past 5 days, PLEASE DO NOT ENTER THIS OFFICE, but return to your car and call our office to set up a tele visit or future appointment once you have a negative covid test.

If you answer YES to any of the following, PLEASE DO NOT ENTER THIS OFFICE, but return to your car and call our office to set up a televisit.

1. “Do you have a fever?”
2. “Do you have a cough?”
3. “Are you experiencing shortness of breath?”
4. Do you have any symptoms of flu, or have you had norovirus or C. diff?
5. Have you lost your sense of taste or smell?
